EXPERIENCE

Donner Photographic, Norwich — *Trainer/Photographer*

April 2018 - PRESENT

Take well-framed full-body and portrait shots. Execute consistent and dynamic posing for dancers, students and families. Work quickly and efficiently with a positive attitude while maintaining quality of photographs. Set-up and break down lighting, background, and camera equipment. Train new employees to work independently and as a team.

Northeast Biosciences, New Haven — *Personal Assistant*

May 2017 - August 2018

Help implement healthy changes to lifestyle and overall well being through organization, time-management, and careful evaluation. Assist with managing finances, creating schedules, and building websites.

American View Productions, Bridgeport — *Associate Producer/Freelancer*

Jan 2013 - June 2015

Assisted with camera, lighting and sound during on-locations shoots. Edited commercials, documentaries and fictional shorts. Wrote blog posts and email blasts for promotional purposes. Communicated over phone and email with clients.

EDUCATION

UConn, Storrs — *Coding Bootcamp*

In progress, Certification in Full-Stack Web Development, including knowledge of HTML, CSS, Javascript, JQuery, Node, Express, and Jest.

Quinnipiac University, Hamden — *Bachelor of Arts*

Bachelor of Arts in Film, Video and Interactive Media. Minor in Business Management.
